Our Company

Meet the Founder.

Live your life to the fullest.

We've created the perfect lifestyle solutions just for you. It's our mission to provide high quality nutrients with fast absorption, empowering you to live well everyday.

Thank you for supporting our mother + daughter, women-owned small business.

Stay Well. Just Spray.

Janet Ryan. Founder

Our Mission

To provide easy to use, highly effective, on-the-go health products that **change lives everyday.**

Our Vision

To support every lifestyle, with natural solutions that help people **stay well, sleep well, travel well and live life to the fullest.**

Our Products

With an advanced micro-emulsion technology, our natural high-quality oral sprays provide direct absorption without binders, fillers, artificial color, dyes or allergens.

SpectraSpray Global was founded in 2016 by Janet Ryan, Wellness consultant. Her passion for changing lives and helping others to live their lives to the fullest has been the foundation for her success. As a classically trained pianist, her attention to detail has contributed greatly to her company's success.

Her mother's early onset Alzheimer's at age 59 inspired her to seek products, education and lifestyle changes to live better, longer. She now shares that inspiration with others through her unique line of oral sprays with superior absorption. With third party testing and clinical studies backing the products, her customers change their lives by sleeping better, enjoying more energy daily, conquering stress and keeping their immune system ready to fight! They complement any busy lifestyle fitting easily in a pocket, purse or at a desk, while traveling or commuting.

Value proposition

- To use the highest grade, most absorbable ingredients in all formulas
- To fulfill orders to customers within 24 hours; to distributors within 14 days
- To support the travel industry in providing wellness lifestyle products
- To provide outstanding customer service to customers and resellers

NOT DRYING. SMELLS GREAT.

I recently ordered hand sanitizer from your company which I love. I'm a **healthcare worker**, and every time I take off my gloves when I'm with a patient I wash my hands and use sanitizer. The one they have at work is so drying that my knuckles were bleeding. Then I discovered yours which is **excellent because of the essential oils**.
